

We can unanimously agree that 2020 presented many challenges, especially for the entertainment and hospitality industry. It has been a year full of uncertainty for most businesses, which has unfortunately wiped out many businesses regardless of their size or industry.

We have to support our local businesses to sustain this current circumstance and shop locally to ensure they can survive this situation. We at Shozna would like to thank all our customers for supporting us through this whole year and wish that you continue to support us for many years to come.

Due to the huge request from our customers, we have taken this initiative to **open on boxing day (5pm-10pm)**.

We would like to thank Curry Life magazine for recognising our hard work and dedication from our team due to intensive work that we took on board to ensure the safety of our customers and supporting the NHS workers, that has resulted in us achieving their '**Covid Curry Heroes 2020**' award. We are truly humbled and ecstatic to have achieved this award.

Seasons greeting and Happy New Year to each and every one of you. May it bring you joy, happiness and everything else you deserve.

We are still operating as a takeaway service from **Monday to Sunday (5pm-10pm)**. In the near future, we hope to welcome you with open arms to use our full services.
